Woman named to head sports federation in Saudi first

- i. In Saudi Arabia, a princess has been named to head a sports federation, in a first for women in the conservative Muslim kingdom where men dominate all sports. Princess Rima bint Bandar bin Sultan will lead a federation covering sporting activities for men and women.
- ii. Last year, the princess was named by the cabinet to a senior post in the kingdom's equivalent of a sports ministry. Daughter of a former Saudi Prince, Princess Rima is a graduate from an American university. Saudi Arabia does not allow women to practise sports in the public sphere and even the introduction of private sports centres for women has aroused criticism among religious conservatives in the Gulf state.

Pak withdraws Hafiz Saeed's detention request under anti-terrorism law

- i. Pakistan government today withdrew its request for extending the detention of Mumbai attack mastermind and JuD chief Hafiz Saeed under the anti-terrorism law. On January 31, Saeed and his four aides were detained by the Punjab government for 90 days under preventative detention under the Anti-Terrorism Act 1997. They have been under house arrest since then.
- ii. Explaining as to why the government withdrew its application, a senior official of the Punjab government told a news agency that since all five of them are detained under the public order there was no binding on the government to produce them before the review board to seek extension to their detention. The JuD has already been declared as a foreign terrorist organisation by the United States in June 2014.

ii. After Singapore, this will be the second Mastercard Labs in Asia-Pacific, and ninth in the world. The initiative aims to bring and harness new commerce, payment and technology ideas at a fast pace in the country.

Important Takeaways from Above News-

- **Ajay Banga** is the CEO of Mastercard.

US and Israel Withdraws from UNESCO

i. **The US and Israel** announced their withdrawal from the **UN's cultural agency UNESCO** after Washington accused it of anti-Israeli bias. The withdrawal of the United States, which is meant to provide a fifth of Unesco's

funding, is a major blow for the Paris-based organization.

ii. UNESCO is best known for designating World Heritage Sites such as the ancient city of Palmyra in Syria and the Grand Canyon National Park.

Important Takeaways from Above News-

- Irina Bokova is the Present Director-General of UNESCO.

Vanuatu Becomes First Nation to Accept Bitcoin in Exchange for Citizenship

i. The South Pacific island nation of Vanuatu has become host to the world's first government to accept bitcoin in exchange for citizenship. Vanuatu's citizenship program costs \$200,000 USD, meaning that at current prices the residency program costs less than 41.5 bitcoins.

ii. The Chairman of the Vanuatu Information Center (VIC)– which oversees Vanuatu citizenship applications - Geoffrey Bond, had sent an official request earlier this month seeking permission to accept bitcoin as a form of payment.

Important takeaways from the above News:

- Vanuatu is a South Pacific Ocean nation made up of roughly 80 islands that stretch 1,300 kilometres.
- Port Vila is the capital city of Vanuatu.

Nicaragua Signs Paris Climate Agreement

i. Central American country Nicaragua has signed the Paris Agreement on climate change, leaving the United States and Syria as the only two countries holding out to sign this global climate pact.

ii. According to Nicaragua's President Daniel Ortega, the Paris Agreement is the only international mechanism that offers the conditions to face global warming and its effects. Previously, Nicaragua refused to sign the agreement on the grounds that it did not require to combat global warming.

Important takeaways from the above News:

- President Donald Trump on 1 June 2017 withdrew the United States from the landmark 2015 Paris agreement to fight climate change.
- Till June 2017, 195 UNFCCC members have signed the agreement, 148 of which have ratified it.

State of World Population 2017 Report Launched

i. The United Nations Population Fund (UNFPA) Executive Director Dr. Natalia Kanem has launched the 2017 State of World Population report in London, UK. The new UNFPA report has been entitled as “Worlds Apart: Reproductive Health and Rights in an Age of Inequality.”

ii. As per the report, economic inequality goes hand in hand with inequality in reproductive health. As of 2017, half of 1.6 billion women of reproductive age living in developing regions want to avoid a pregnancy.

The new UNFPA report warns-

- Only about half of the world's women hold paid jobs
- Globally, women earn 77 percent of what men get
- Three in five women worldwide lack maternity leave, many pay "motherhood penalty"

About The United Nations Population Fund:

- It was formed in the year 1969.
- Headquarters of UNFPA is located in New York, US.
- In October 2017, United Nations Secretary-General Antonio Guterres appointed Dr. Natalia Kanem Executive Director of UNFPA.

2nd World Congress on Marxism to be Held in Beijing

i. The 2nd World Congress on Marxism is scheduled to be held at Peking University in

Beijing, China in May 2018.

conference is "**Marxism and the Current World and China**". The congress coincides with the 200th anniversary of Karl Marx's birth and 40th anniversary of China's reform and opening-up.

ii. The theme of this

11-Year-Old Gitanjali Rao Named America's Top Young Scientist

i. **Gitanjali Rao**, an 11-year-old Indian-American schoolgirl, was named as "**America's top young scientist**" for inventing a cost-effective, quick lead-contamination detector in water.

ii. The seventh-grade student was inspired by the large-scale lead contamination in water in Flint, Michigan, that came to light recently. Rao won \$25,000 for taking the top position at the 2017 Discovery Education 3M Young Scientist Challenge.

Singapore Passport Named 'Most Powerful', India Ranks 75

i. **Singapore's passport** has become the **most powerful in the world** with a Visa-Free Score of 159, according to the Passport Index developed by advisory firm **Arton Capital**. This is the **first time an Asian country** has been announced as having the most powerful passport.

ii. **India secured the 75th rank** in the index with a Visa-Free Score of 51. Historically, the top 10 most powerful passports in the world were mostly European, with Germany having the lead for the past two years. **Afghanistan was on bottom most position (94th)** with the score of 22. Pakistan was on 93rd Position with Iraq with the score of 26.

The Top 3 countries with score are-

1. Singapore (159)
2. Germany (158)
3. Sweden, South Korea (157)

Indian Origin Activist Gina Miller Named UK's Most Influential Black Person of the Year

i. **Indian origin campaigner Gina Miller** was named **UK's most influential black person of the year**. Gina won a legal challenge seeking Parliamentary approval for triggering Brexit.

ii. The guide has published the 13th edition of its annual list of the top 10 countries every traveler should have on their bucket list for 2018.

Top 3 Countries in the list are:

1. Chile
2. South Korea
3. Portugal

Important takeaways from the above News:

- Santiago is the Capital of Chile.

Qatar Introduces Minimum Wage for First Time

i. **Qatar** has committed that it will introduce a minimum wage for workers in the country. The announcement was made by labour and social affairs minister Issa Saad al-Jafali al-Nuaimi. The announcement came a day before a meeting of the **UN's International Labour Organisation (ILO)**.

ii. Other reforms to labour laws include stopping employers from preventing workers from leaving the country, a new central authority to ensure that work contracts are being adhered to and bilateral agreements with 36 countries to protect the legal rights of those who head to the Gulf for work.

Important takeaways from the above News:

- Doha is the Capital of Qatar.
- Abdullah bin Nasser bin Khalifa Al Thani is the Prime Minister of Qatar.
- Qatar is the host of 2022 football World Cup.

Saudi Arabia, First Country to Grant Citizenship to a Robot

i. **Saudi Arabia** has become the first country to give a robot citizenship. The move is an attempt to promote Saudi Arabia as a place to develop artificial intelligence and, presumably, allow it to become a full citizen. The Robot is named as '**Sophia**'.

ii. Sophia was confirmed as a Saudi citizen during a business event named Future Investment Initiative in Riyadh. It is historic to be the first robot in the world to be recognized with citizenship.

Important takeaways from the above News:

- Riyadh is the capital city of Saudi Arabia.
- Mohammad bin Salman bin Abdulaziz Al Saud is the crowned Prince of Saudi Arabia.

Jacinda Ardern Officially Sworn in as Prime Minister of New Zealand

i. **Jacinda Ardern** was officially sworn in as the Prime Minister of New Zealand. At the age of 37, **Ardern is the youngest New Zealand PM in 150 years.**

ii. She is also the country's third woman leader. This was the first time New Zealand adopted proportional voting since 1996.

Important takeaways from the above News:

- Dame Jenny Shipley was the first woman Prime Minister followed by Helen Clark.

Burundi, First Nation to Leave International Criminal Court

i. **Burundi** became the first nation ever to leave the International Criminal Court (ICC), set up 15 years ago to prosecute those behind the world's worst atrocities.

ii. Burundi is the only one of three African nations to go ahead with its withdrawal after making moves last year to leave amid accusations that the court focuses too much on the continent.

Important takeaways from the above News:

- The ICC was established in 2002.
- It is based in the Hague, the Netherlands.
- Bujumbura is the capital of Burundi and Burundian franc is its currency.

Jeff Bezos Replaces Gates as World's Richest Person with \$90.6-bn Fortune

i. According to Forbes magazine, Jeff Bezos surpassed Bill Gates as the richest person in the world. The fortune of Amazon's founder reached some **\$90.6 billion**, compared with the **\$90.1 billion** that the online edition of the magazine attributes to Gates.

ii. This is not the first time that Bezos has outpaced Gates - it previously happened in July 2017 when Amazon shares hit a historic high, though Gates took back the lead hours later.

Important takeaways from the above News:

- Jeff Bezos has been on the Forbes list of the richest billionaires since 1998, a year after his e-commerce giant went public.

World's First Hydrogen Tram Begins Operation in China

i. The world's first hybrid electric tram powered by hydrogen fuel cells has started running in China, marking a big step in the application of green energy in public transport.

ii. The tram was put into commercial operation for the first time in Tangshan, north China's Hebei Province. With water being its only emission, the tram emits no pollutants. No nitrogen oxides will be produced as the temperature of the reaction inside hydrogen fuel cells is controlled under 100 degrees Celsius.

US court largely blocks Trump's military transgender ban

i. A US court has largely blocked President Donald Trump's controversial ban on transgender people serving in the military. Mr Trump had, in August, signed an executive order banning transgender people from serving openly, reversing former President Barack Obama's directive allowing them to do so. The move prompted a flood of lawsuits, many of them filed on behalf of transgender service members or veterans. US District Judge Colleen Kollar-Kotelly sided in part with a group of transgender service members who sued to block the change, halting Mr Trump's ban on service.

China hints at no change in policy of blocking efforts to list Masood Azhar as global terrorist

i. China today hinted at no change in its policy of blocking efforts to list JeM chief Masood Azhar as a global terrorist during the second tenure of President Xi Jinping.

ii. A veto-wielding permanent member of the Security Council, China has repeatedly blocked India's move to put a ban on the Jaish-e-Mohammed chief under the Al-Qaeda Sanctions Committee of the Council. JeM has already been in its banned list.

iii. India has identified Azhar as the mastermind of the Pathankot terror attack on January 2, last year. It has also blamed his brother Rauf and five others for carrying out the attack in which seven Indian soldiers were killed.

Uhuru Kenyatta wins controversial Kenyan poll rerun

i. Kenyan President Uhuru Kenyatta has been declared the winner of a controversial re-run of the Presidential election. The country's Election Commission said, he won 98 per cent of the votes with a turnout at just under 39 per cent - less than half that was recorded in August's vote. Mr Kenyatta was also declared the winner in August which was annulled because of irregularities.
