**“ Everyone is a genius. But if you judge a fish on its ability to climb a tree, it will live its whole life believing it is stupid.”**

**~ Albert Einstein**

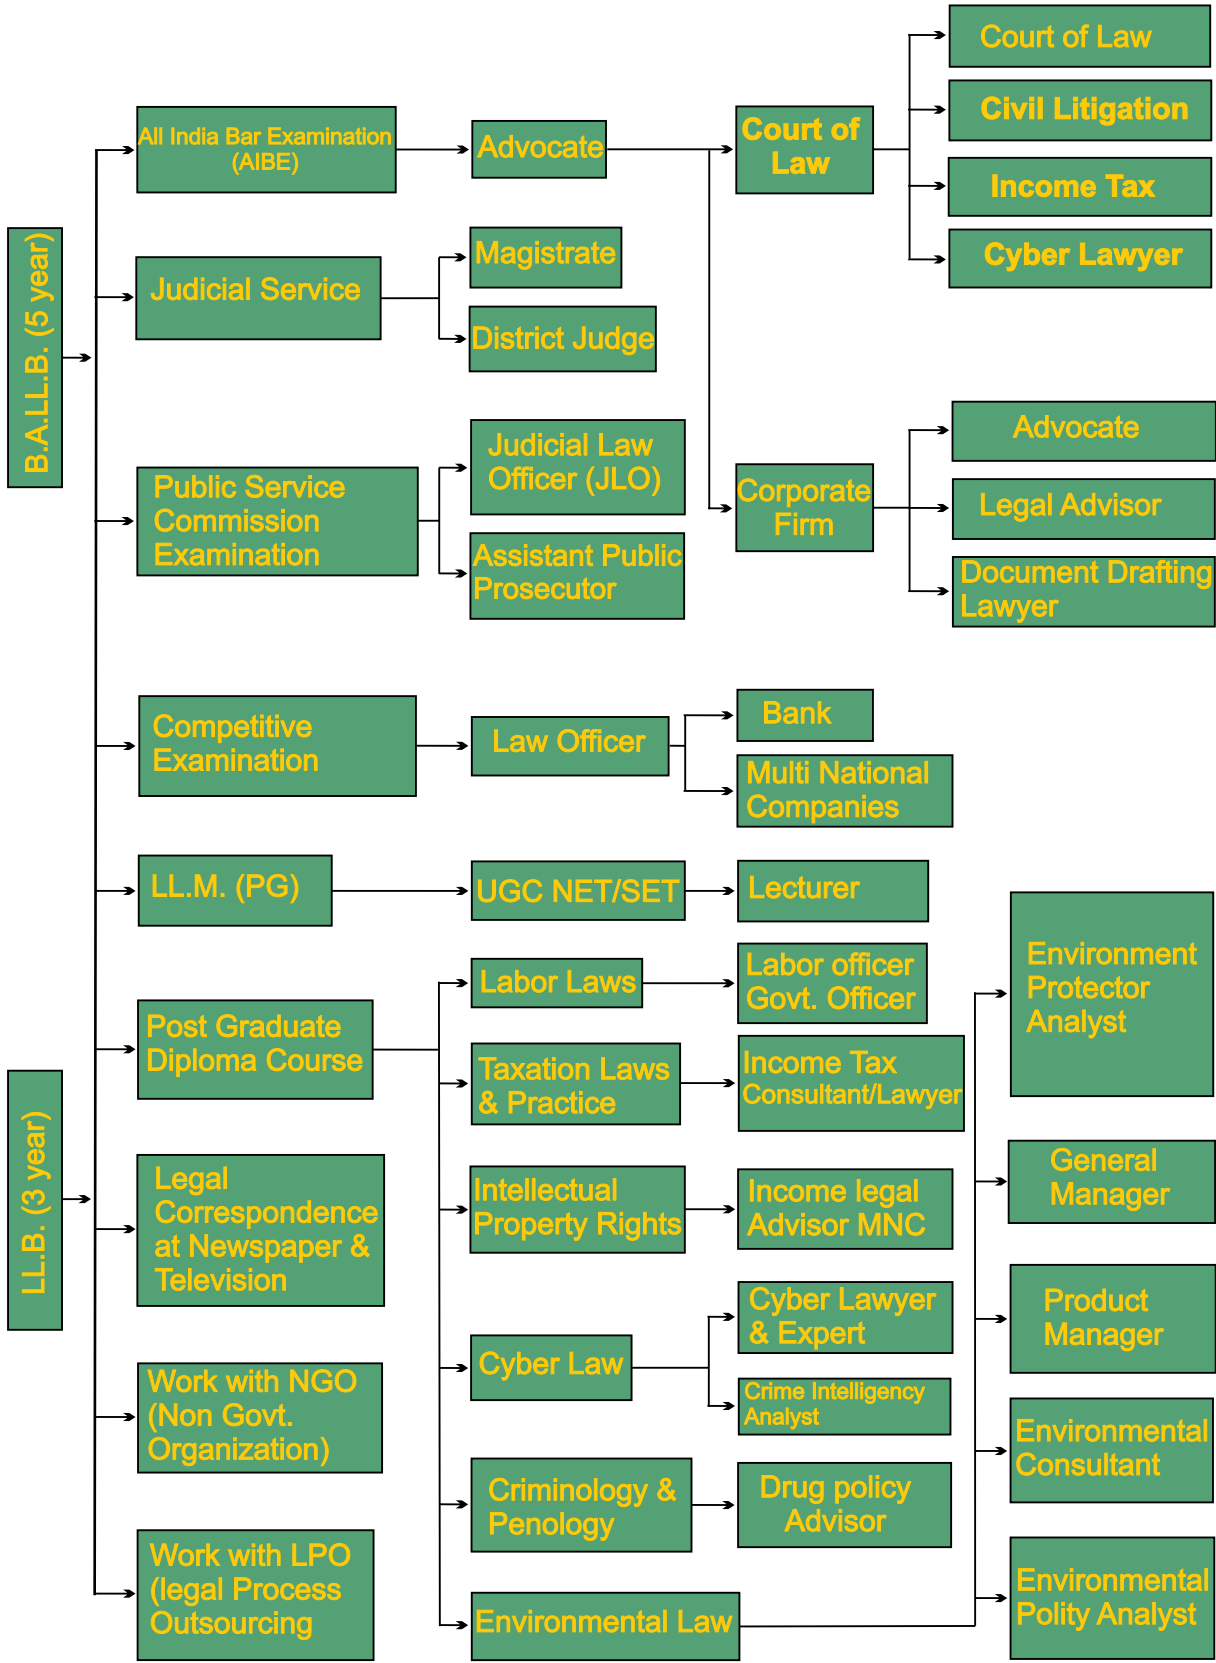

This famous quote summarises the dilemma in many of us. At this juncture, where you need to make a choice regarding the career you would like to pursue, you may be full of doubts regarding which stream you should choose, the best colleges to vie for, entrance exams, areas of preparation, the kind of jobs it will provide and of course, you have a responsibility to yourself to make the right choice. Today, a career in law is one of the best options after the 12<sup>th</sup> Standard, considering the many opportunities that it offers. The emergence of the National Law Schools, their world-class education and their national and international campus placements each year, bear testimony to this fact.

A graduation in law offers much more than just practising as an advocate in a court of law or going beyond courtrooms. Law school graduates now have many exciting career opportunities offered by Indian and International Law Firms, Consulting and Advisory Companies, MNCs, Corporate Legal Departments, Legal Departments, Legal Process Outsourcing (LPOs), etc. In the public sector, Civil Services, Legal Departments, are indeed attractive and rewarding. The more academically oriented National Law School graduates have joined the world's best universities like Harvard, Cambridge, Oxford and Yale for higher education.

"A teacher not only knows the way but shows the way.."

Adept exceptionally in not only the subject but also in delivering it, Shreyas Sir is one of the best legal faculty and mentor that a law aspirant could have an opportunity to learn from. He is one of those rare individuals who are able to create content and conducive environment for learning that students enjoy so much they often don't realize that they are dealing with sometimes monotonous law. He undoubtedly made learning to be such a happy and fun thing. It was a pleasure to have got such an opportunity to learn under his able guidance. He is the most amicable and approachable person one can find in teaching fraternity. His positive vibes are contagious. I owe my flair and knowledge of law gratefully to him and I am forever grateful to him.

"Having current NUJS undergrads as faculty members was an actual plus for me (combined, they took ALL the CLAT exams conducted till day) and I utilized it to the fullest; also the non-formulaic, non-mechanical way of teaching worked for me."

"CLATapult has been the biggest contributor to my success. All the teachers at CLATapult were very motivating. I could approach them with any kind of doubt that I had. They taught us in class with utmost dedication and care and were immensely friendly, which made my learning process fun. They helped me convert my points of weakness to points of strength."

"Thank you Clatapult for helping me succeed in CLAT 2016. The mocks covered a broad spectrum of difficulty levels. This was very useful, given how unpredictable CLAT is! As a suggestion for improvement you could show one's rank in the overall population that takes each mock and also display the highest scorer's score. This would help in understanding one's relative positioning among all the test takers."

"Shreyas Sir has been of immense help in my CLAT preparation journey. I was a fresher and had very little time in hand, given the boards. He himself is a graduate of one of the best NLU's in India and therefore, acquainted me with the correct and the best approach to be taken for scoring well, in a very short span of time. His experience in the field of law and academic mettle ensured that I get into the best NLU myself. Not just academic support in legal reasoning but his constant motivation, mentoring, and cheerful nature proved to be instrumental in keeping my morale and scores high during my time as his student and performance in CLAT."

"I was lucky enough to have Shreyas Sir as one of the faculties during my preparation for CLAT. The relation between us soon changed from teacher-student to mentor-mentee which proved to be much more effective and helpful. Being a fresh law graduate from one of the premier institutes of law, he could relate much more with the students and provide more effective guidance along with the lessons. His connect with the students and friendly nature converted his classes into more productive conversations than normal lectures. Equally important were the interactions with him outside the class. His trust and confidence in me acted as a major boost in my preparation. As a mentor, his role was not only limited to CLAT preparation, but extended much beyond it. Even post my success in CLAT, he has remained a great friend and a very helpful mentor. His role as a teacher, a friend and an amazing mentor has contributed a lot to my success in CLAT as well as to my college life."

"Shreyas Sir is a guru in the true sense for me. Having himself graduated from NUJS, one of the best Law Schools in the country, his knowledge and experience in the field of law is impeccable. He helped me develop a strong foundation, which enabled me to score well in not only Legal Reasoning Section in CLAT; but also, helped me after getting into a Law School. Having started my CLAT preparation in class 12th, I had to manage both my Board Exams as well as CLAT Preparation in a very short span of time; but he himself having had a first hand experience of the exam, his experience helped me tremendously to work on all of it simultaneously. As a student, I could connect to him instantly because of his welcoming nature and polite persona. He was a constant support for me during my CLAT preparation and continues to be a source of great strength and motivation for me."

The concepts of legal reasoning, Law of Contracts, Tort, Constitution, and Criminal Law that were taught by Sir not only helped me to crack CLAT but also laid down strong base for Law School. The guidance and advice given and cooperation shown by Sir helped me to remain stable through all the ups and downs of CLAT preparation."
